Skills

Technical Proficiencies

- **Front-End**: React.js, Next.js, JavaScript (ES6+), HTML5, CSS3, Tailwind CSS
- **Back-End**: Ruby on Rails, Laravel, Python, C#, Java
- **API Integration**: REST APIs, Lulu API, AWS SDK, AWS S3, server-side optimization
- **Version Control**: Git, GitHub, Pull Requests, Code Reviews
- **Methodologies**: Agile (Scrum), Sprint Planning, Iterative Development
- **E-Commerce Platforms**: Shopify (custom development, backend optimization via Ruby LSP)

Core Competencies

- Strategic Problem-Solving & Prioritization
- Clear & Effective Communication
- Product Ideation & Technical Adaptability
- Highly Tech-Savvy & Detail-Oriented

Profile

Fullstack Web Developer with 2+ years of experience building scalable backend systems using Ruby on Rails and Shopify. Proven track record of improving API performance by 95% and developing production-ready financial and publishing platforms. Strong in REST APIs, AWS S3 integrations, and Agile development workflows.

Experience

Web developer

Tribute Technology

March 2024 - Present

- Conducted QA validation prior to deployment, improving data integrity and reducing post-release issues
- Enhanced backend logic to ensure strict adherence to business rules and data accuracy
- Collaborated effectively with peers using Git branching, peer reviews, and structured deployment processes
- Implemented CI/CD pipelines on GitHub to automate testing and deployment, reducing manual effort and increasing release reliability
- Provided onboarding sessions for junior developers and project coordinators, introducing software tools and workflows

Junior Web developer

Weberlly

September 2023 - November 2023

- Boosted Lulu API response time by 95% through backend optimization
- Built publishing workflows integrating AWS S3 and external APIs
- Converted Figma designs into responsive, production-ready components
- Converted Figma UI designs into responsive, production-ready frontend components
- Developed and optimized internal APIs for faster data handling
- Managed multiple Shopify websites, maintaining versatile layouts and seamless functionality

Education

Bachelor of Science in Information Technology (BSIT)

STI College San Jose Del Monte
2019 – 2023
Cum Laude

Certifications

Technical Certifications

- PostgreSQL: Client Applications - LinkedIn Learning (March 16, 2026)
- PostgreSQL Essential Training - LinkedIn Learning (March 09, 2026
- Complete Guide to Ruby – LinkedIn Learning (February 25, 2026)
- Hands-On Introduction: Ruby on Rails – LinkedIn Learning (February 6, 2026)
- React.js Essential Training – LinkedIn Learning (September 16, 2023)
- Project Management 101: Introduction to Traditional, Hybrid, and Agile Project Management – MSTConnect Educational Consultancy (August 2023)

Product & Agile Development

- Agile Product Owner Role: Foundations – PMI via LinkedIn Learning (2023)
- Product Management: Building a Product Roadmap – LinkedIn Learning (2023)

Professional Communication & Leadership

- Communication Management 101 – MSTConnect Educational Consultancy
- Communicating with Executives – LinkedIn Learning
- Critical Thinking for Effective Communication – LinkedIn Learning
